Long-lasting, More Power !

Now you can charge your mobile devices on-the-go with the world's first portable energy power bank that uses EV-Proven LiFePO4 cells, the same ones that power electric vehicles

Simply The Best Durability And Safest Way To Keep Your Mobile Devices Running!

Super Convenient the Gendome Micro can charge your smart watch and phone at the same time.

Superior Safety-Using EV-Proven LiFePO4 battery

EV-Proven LiFePO4 batteries are extremely safe and reliable. This battery has no thermal runaway and can be recharged thousands of cycles.

*Even after 20 months of use, the battery retains 90% of its maximum capacity.

Dual -Device Charging

Use both type-c to type-c and USB C-lighting cable simultaneously to charge two of your essential devices. You can also use type-c to type-c to charge your phone and refill the battery.

Safety Matters Most Forever

The Gendome Micro has 8 methods of protection to ensure quality & safety are a priority.

General Technical Specification

Product Name : Gendome Micro (Power Bank)
Model : Micro 30
Capacity : 15000 mAh (3.2V/48Wh LFP)
Input IN : 5V=3A/9V=2A
Output Out 1 : 5V=3A/5V=4.5A/9V=2A/12V=1.5A
Output Out 2 : 5V=3A/9V=2.22A/12V=1.67A
Output Out 3 : 5V=3A/9V=2A/12V=1.5A
Output Out 1 + Out 2/3 : 5V/3A MAX
Dimensions(W*D*H) : 1.85*2*6.14 inch
Net Weight : 0.99 lbs/0.45 kg
